Surrounded by water on three sides, Kitakyushu serves a wide selection of seafood such as oysters, pufffish, and crabs. A unique style of sushi called “Kyushu-ware” that can only be tasted in Kitakyushu is popular. Please try local cuisine such as Kokura beef, Yakata gyoza dumplings, and Tobata champignon noodles. For souvenirs, ‘Neri Choco’ screw chocolates and ‘Kuropane’ hard cookies, special to this city of steel, are recommended.
